

BRAVER™

An explorer-themed card game that teaches players how to navigate an ever-changing world

WELLNESS & MINDFULNESS DECK

An easy & instantly engaging introduction to self-care

BRAVER is an invitation to explore well-being with a fun, infinitely customizable card game that encourages self check-ins, gives tips for incremental habit improvement, and helps establish goals for a happy and healthy lifestyle.

The premise is simple. Each box includes 2 decks of cards:

- ♣ 52 customized Question Cards &
- ♣ 52 standard Playing Cards*

**Reimagined with diverse racial, ethnic, and gender identities for more inclusive play!*

Choose any card game—Go Fish, War, Rummy, etc—then deal players in. Every time a Question Card comes up, stop play, and have everyone answer the question. Play continues until the game is over. *Everyone wins!*

For more information, visit us at: www.BraverCardGame.com

For Schools & Family Agencies:

An interactive lesson that also facilitates welfare checks for minor & vulnerable populations

For Companies:

A bridge to work-life balance training that engages employees and helps avoid burn-out

For Everyone:

A primer to the practice of tuning in to our body's emotional and physical cues
